## **Employment Experience**

**AIS Wildlife Technician I**, *Utah Department of Natural Resources (Logan, UT; May 2024 – August 2024)*

- 

**Landscaping Crew Member**, *USU Facilities (Logan, UT; August 2023 – May 2024)*

- Worked in large teams and had to effectively communicate with everyone to get the job done
- Worked 20+ hours a week while in full time school
- Demonstrated proper use of the trimmer, blower, push mower, stand on mower, and zero turn radius mower
- Recognized as responsible enough to operate the mowers
- Worked early morning shifts during cold and unpleasant weather

**Facilities Assistant**, *Marriott Library (Salt Lake City, UT; August 2022 – July 2023)*

- Implemented systems for proper battery sorting, handling, and recycling
- Used common power tools to maintain simple and moderate building upkeep
- Trusted with access to secure areas of the building alone
- Worked with contractors to complete on time complicated building maintenance
- Worked 15+ hours a week while in full time school
- Did a lot of work alone and self paced

**Banquet Assistant**, *Salt Lake City Sheraton (Salt Lake City, UT; September 2021– January 2023)*

- Worked a varied schedule based on event availability and hours stretched late into the night
- Lifted and moved multiple tables that weighed up to 50lbs and moved hundreds of chairs a night
- Worked with a team to serve food safely and quickly to hundreds of guests

**Editor, Finance Manager, and Graphic Designer**, *The Red Line Podcast (Remote, December 2021 - Present)*

- Worked with my two college roommates to create a brand and content around public transportation
- Gained a following and developed income, created merchandise and distributed with this money
- Managed time to do the podcast while working and doing full time school

**Planting Crew / Delivery Team Member**, *Cactus and Tropicals (Salt Lake City, UT; April 2021 – August 2021)*

- Planted a vast array of plants at multi million dollar houses
- Selected the plants to plant for the day based on elevation, shade condition, budget and availability
- Drove work trucks around the valley and up to summit county day to day
- Safely lifted heavy plants and containers

- Staged and delivered plants in private homes and businesses all around the wasatch front

**Christmas Tree Lot Attendant**, *Cactus and Tropicals (Salt Lake City, UT; November 2020 – December 2020)*

- Safely operated an electric chainsaw to put a fresh cut on christmas trees
- Securely attached christmas trees to the top of cars and in truck beds for safe transport
- Worked outside in freezing temperature and snow
- Identified different tree species and their benefits for the customers wants

**Cafe Attendant**, *Tracy Aviary (Salt Lake City, UT; June 2018 – August 2019)*

- Securly handled cash and card payments
- Communicated effectively among other staff and guests in a confined and claustrophobic environment
- Worked though constant management overturn and kept customers happy and quality consistent
- Kept an organized and clean kitchen workspace and maintained food safety standards

**Cashier and Stocker**, *The London Market (Salt Lake City, UT; September 2017 – December 2017)*

- Worked with expensive and delicate import goods
- Maintained a clean working environment and kept customers happy
- Worked to keep the restaurant and kitchen clean and up to food safety standards

**Skills / Certifications**

- Use of an electric chainsaw and mixed-gas power tools
- Myrtle Spurge identification and removal
- Basic camping and backcountry skills such as water purification, backcountry cooking, tent set-up, bear hang set-up, and leave-no-trace practices
- Experience in ArcGIS Pro and Google Earth Pro
- Proficient with Adobe Premiere Pro and Photoshop
- Certified in Microsoft Office Suite (Word, PowerPoint, and Excel)
- Completed CTE Pathway in Broadcast & Digital Media
- Experience with paper map and compass navigation
